The following is a summary from "Chief Executive Expense Disclosures: A Guide for Agency Staff": <http://www.ssc.govt.nz/sites/all/files/ce-expense-disclosures-guide-agency-staff-2017.docx>

In the following worksheets, cells shaded light blue require input. All other cells are locked to prevent change.

Purpose

The purpose of regular public disclosure of Chief Executive's (CE) expenses is to provide transparency and accountability for discretionary expenditure by CEs of Public Service departments and statutory Crown entities. Publishing clear and detailed disclosures is integral to building and maintaining the public's trust and confidence in the State services.

What is covered?

All expenses for items experienced, used or declined by CEs in performing their role are required to be disclosed, whether paid by credit card or invoiced. This includes expenses for more personal undertakings, such as professional development expenditure, in addition to outgoings for the likes of travel and entertainment. CE expenses are not generally regarded as personal or commercially sensitive. Refer to the Ombudsman Guide to Chief Executive Expenses for guidance. Business or corporate expenses for the organisation that are met from the CE's budget or paid by his /her credit card are excluded. Expense disclosures cover the full period of the report, and are completed by each CE, including Acting CEs.

How does it work?

CEs disclose the expenses, gifts & hospitality they have expended or been offered using this SSC Excel workbook. CEs formally approve completed Excel workbooks and an appropriate person reviews them. They are posted on agency websites and linked to [www.data.govt.nz](https://www.data.govt.nz/toolkit/how-do-i-add-or-update-our-chief-executive-expenses/). See: <https://www.data.govt.nz/toolkit/how-do-i-add-or-update-our-chief-executive-expenses/>

When and how often are disclosures made?

Disclosures cover the year to 30 June and are expected to be published by 31 July.

Disclosed Information - this workbook includes a tab for each of the following categories:

Summary and sign-off

This tab contains a summary of the information presented: it includes a single place to update entity information, running totals of the different types of expenses and gifts/benefits, and records the required checks and sign-offs before publication.

Travel

All expenses incurred by CEs during international, national and local travel are disclosed. Expenditure relating to each trip is grouped (particularly for overseas trips), but the nature of the items of expenditure are disclosed separately, with individual lines for the likes of airfares, accommodation, meals, and taxis.

Hospitality

All work-related hospitality expenses provided by the CE to people external to Public Service departments and statutory Crown entities.

All other expenses

All other expenses incurred by the CE that are not captured under the definition of travel, hospitality or gifts and benefits are disclosed in this section. This includes items such as cell phone and data costs, subscriptions, membership fees, conference fees, and professional development fees.

If in doubt, the principles of transparency and accountability apply and therefore all items are disclosed, unless there is a very good reason not to. The Ombudsman's view is that "because this expenditure is incurred by very senior employees acting in an official capacity and for a business purpose, the privacy interests of the chief executives who incurred the expenditure are low".

Gifts and benefits

All gifts, invitations to events and other hospitality, of \$50 or more in total value per year, accepted or declined by the CE from people external to the organisation are disclosed. A brief explanation of what the CE did with the gifts and benefits is supplied, which includes whether the offer was declined.

Usually gifts and benefits that have more than a token value are also declared on an open register within agencies, as well as on the expenses disclosure. Please note that anything offered is official information and is covered by the Official Information Act.

The value of each gift or benefit should be provided/estimated where possible. If an estimate is approximate, valuation 'ranges' can be submitted. It should be recorded where the cost of a gift cannot be reasonably estimated, or where an estimate is inappropriate (e.g. because of the nature of the item or because disclosing an estimated value might cause offence).

How to present information

Provide information using this SSC Excel workbook: <http://www.ssc.govt.nz/ce-expenses-disclosure>

Complete separate tables for each category using the tabs provided in this Excel workbook: Travel, Hospitality, Gifts and Benefits, All other expenses.

Complete all fields. The header (organisation name, CE name and reporting period) will pre-populate once you enter it on the 'Summary and sign-off' tab.

Whether costs are GST exclusive or inclusive needs to be consistent on each sheet, and ideally should be consistent across all sheets. You have the option to use GST exclusive or inclusive as it may depend how you get your source information.

Mark clearly if no information to disclose - where there is no information to disclose, record this clearly on the spreadsheet with a suitable description such as "no travel expenses to disclose for this period"; "no gifts received" or "no hospitality provided". Please do not leave the page blank.

Ensure the disclosure is for the full reporting period. Include separate disclosures for each CE, including Acting CEs.

Provide sufficient detail for each item in the spreadsheet. Agencies are encouraged to take a why, what, who, where and how approach to describing individual items. A good description that outlines the nature of the item and its purpose improves understanding of why expenses have been incurred or why gifts and hospitality have been given or received.

Provide full information for every entry. The alert "Some records may be incomplete" will show in the 'Total' line if any expense has 'Cost' or 'Type of expense' missing, or, any gift has 'Accepted/Declined', 'Description' or 'Estimated value' missing.

The subtotals and totals should appear and update automatically, once you add information to the rows above. Insert more rows as you need - right click on the row number (at the left of screen) and select 'Insert' - new row will insert above.

Uploading the workbook - please ensure it is easy to find on your website.

The Disclosures webpage could be headed with a statement such as: "(This agency) is disclosing the Chief Executive's expenses, gifts and hospitality as part of its commitment to transparency and accountability".
